FX Series Programming cables

Part of the **B P X** Group

## **FX Series Programming cables**

SC-09 cable was used for old FX series and FX3 PLCs, however this cable is now obsolete.

**SC-09 cable**

The replacement cable is FX-USB-AW for FX1 to FX3 PLCs. Newer types such as FX3G and FX3S a standard to mini USB cable can used.

**FX-USB-AW**

For Legacy products such as Old FX & A Series PLCs, this configuration must be used...

**F2-232CAB-1**  
**Fx-232AWC-H**  
**FX-422CAB**
